NovaTech Solutions – Employee Handbook & HR Policy
Version 3.2 | Last Updated: January 2026

SECTION 1: LEAVE POLICY

Annual Leave:
All full-time employees are entitled to 24 days of paid annual leave per calendar year. Leave accrues at the rate of 2 days per month. New employees can start using accrued leave after completing 3 months of service. Unused leave up to 10 days can be carried forward to the next year. Any leave beyond 10 days will lapse on December 31st.

Sick Leave:
Employees are entitled to 12 days of sick leave per year. Sick leave for more than 3 consecutive days requires a medical certificate from a registered medical practitioner. Sick leave cannot be carried forward or encashed. In case of extended illness beyond 12 days, employees may apply for medical leave without pay, subject to HR approval.

Casual Leave:
Employees are entitled to 6 days of casual leave per year. Casual leave cannot be taken for more than 3 consecutive days. Prior approval from the reporting manager is required. Casual leave cannot be combined with any other type of leave.

Maternity and Paternity Leave:
Female employees are entitled to 26 weeks of paid maternity leave as per the Maternity Benefit Act. Male employees are entitled to 15 days of paid paternity leave, to be availed within 6 months of the child's birth or adoption.

SECTION 2: WORK FROM HOME POLICY

Eligibility:
All employees who have completed their probation period (6 months) are eligible for Work From Home (WFH) arrangements. Employees in their probation period may request WFH only in exceptional circumstances with manager and HR approval.

Regular WFH:
Employees may work from home up to 2 days per week. The preferred WFH days are Wednesday and Friday, though teams may adjust based on project needs. Employees must be available during core working hours (10:00 AM to 6:00 PM IST) on WFH days.

Full Remote:
Certain roles may be designated as fully remote. These are determined at the time of hiring and documented in the offer letter. Fully remote employees must visit the office at least once per quarter for team meetings and planning sessions.

Equipment and Internet:
The company provides a laptop and necessary peripherals for WFH. Employees are responsible for maintaining a stable internet connection with minimum 50 Mbps speed. The company reimburses up to Rs 1,500 per month for internet expenses upon submission of bills.

WFH Expectations:
Employees must maintain the same productivity levels as in-office work. All meetings must be attended via video call with camera on. Employees must respond to messages within 30 minutes during core hours. Any planned unavailability during WFH must be communicated in advance.
